Notes from the President

Greetings,

Thank you to everyone who turned out for our January membership meeting! It was great to start the year out with such a great turnout! Mayor Joe Reardon was extremely informative about all of the wonderful things going on in our community. I want to take this opportunity to thank Arlana Coleman for all of her hard work in getting such great programs and locations this year.

In honor of February being American Heart Month and the National Wear Red Day for Women's Heart Health on February 3rd, Dr. Maria Javaid, a board-certified cardiologist will be the guest speaker at our February 8th membership meeting. Dr. Javaid practices with Midland Heart and Vascular, a physician practice of Providence Medical Center and Saint John Hospital. This is something that should be of interest to all of us as heart disease is the number one killer of women in the United States and often manifests itself in far different symptoms than we typically associate with a heart attack. We are asking that you all wear red in honor of heart health.

Our February meeting will be held at Carino's at the Legends. I just want to give you a couple of reminders about our meetings. It's at noon, but allow time for networking beginning at 11:30. This is a great opportunity to meet other members. Second, we ask

that you all try to RSVP by the Friday prior to the luncheon. Those meeting that deadline will be entered into a drawing for the opportunity to give a three minute commercial about their business.

I also want to remind everyone that we still have cookbooks and raffle tickets for the awesome Chateau Avalon basket. Please contact Jennifer Ledbetter if you are interested. We will be drawing for the basket at this meeting!

Sincerely,

Amy Falk

President
