Notes from the President

Greetings:

If you haven't had a chance to visit our website, please do so. It is updated, professional and is user friendly. Thanks to Maila Yang and Jennifer Vogel for their efforts in overseeing the development and implementation of this project. The site is womenschamberkck.org.

It is scholarship application time again! The application is located on the website. The due date for the applications are April 29th and the committee will announce the recipients on May 25th. This is the reason we work so hard with our fund raising activities, so please share the information with non-traditional students you know. Speaking of fundraising, we are working at Applebee's at the Legends on Saturday morning, April 23rd. We are hosting an all-you-can-eat pancake breakfast. Tickets are \$8.00 each and include coffee and soda. Please encourage your friends, neighbors, family to attend this event. We will sell tickets at the door.

We are also having our Garage Sale Event on June 25th! We will set up and price items on June 24th. This will be held at the conference center by the pond on the KCKCC campus. It is a great event for us and is always fun! You will hear more about it in upcoming Newsletters....but put it on your calendar.

Some of you have attended different theater productions with the WCC in the

past. It is always such an enjoyable time, so we decided to do it again! We will be selling tickets to "Honky Tonk Angels" at the **American Heartland Theatre (Crown Center)** on August 18th. Therese Bysel is coordinating the sale of the tickets. It is fun to bring friends and have dinner before going to the play. In addition, we are arranging for tickets to **Joseph and the Coat of Many Colors** at the New Theatre Restaurant in Overland Park, on **July 21**. Please watch for the information and don't wait to make your reservations!

Attached to the newsletter is the Directors and Officers slate for 2011-12.

In lieu of the Spring Membership event, we will be having a regular meeting. We will hold the Membership Event at a later date. The meeting will be **April 13, 5:00 pm at the conference center by the Pond at KCKCC campus**. If you have been unable to attend a Luncheon Meeting perhaps you will have the opportunity to attend this evening meeting. A light meal will be offered at no charge; the program will be announced as soon as the details are finalized.

Cordially,

Paige Wymore-Wynn

March Membership Meeting — The meeting was held at Frontier Steakhouse at 93rd & State Ave. Ms. Shelley Coulter was our guest speaker. Thank you for an insightful and motivational message. She also talked about the upcoming Women's Leadership Luncheon on March 24 that the KCK School Foundation for Excellence is sponsoring.

Life should not be a journey to the grave with the intention of arriving safely ... in a pretty and well preserved body, but rather to skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming "Wow! What a Ride!"

CONGRATULATIONS!

Google announced its selection of KCK as the first city to conduct its High-Speed Fiber Pilot project. "This project represents the future of how we connect to the web, and we want it to start in Kansas City," said Milo Medin, Vice President for Access Services at Google. "It is a real honor for Google to be here, and we will work hard to deliver a service that will delight and empower this community to lead the nation forward in broadband." As part of the agreement, Google will be providing free access to schools and city facilities as the fiber network is deployed.
